

9th October 2018

Dear Parents/Carers,

I am writing to remind you all of our exciting opportunity for all the brothers and sisters of our members who are aged 4+. We aim to organise trips/social events/activity sessions for those young people who have a brother or sister with a disability on a termly (approx. every six weeks) basis. These sessions will not only be fun and exciting for those involved but also a chance for young people to meet others who also have a sibling with a disability, share experiences and make new friends.

Please note that as siblings have their own group and have activities organised for them during the shorter school holidays, they are unfortunately unable to attend any other activities organised for members. However, they are more than welcome to join us at Summer Activity Club.

Please find information below about all activities we are providing up until July 2018.
